--which inhibits--.

Claim 10, line 1, please delete "modulating" and insert therefore  
--inhibiting--.

Claim 13, line 4, please delete "regulate" and insert therefore  
--inhibit--.

#### REMARKS

Claims 3-12 are currently pending in the application. Only claims 3, 5 and 9 are in independent form.

The Office Action requests that a sequence listing which complies with the requirements for patent applications containing nucleotide sequences and/or amino acid sequence disclosures be submitted along with the appropriate paper copy. Accordingly, attached hereto is the appropriate computer readable form and paper copy of the sequence listing along with the appropriate declaration.
